

Type A, B, or C	State	Certificate Name	Comments
Type A	Alabama	Class B Professional Educator	Alabama provides a second Level I (first) certificate program, called the Alternative Class A or Fifth-year level program. It is a state-approved, MAT-type, college/university-based, rigorous preparation program that is more similar to the Class B Professional Educator program than to Alabama's other alternative approaches to certification. Information about that program is summarized in Section VII of this Title II report and at www.alsde.edu/ Sections/ Teacher Education & Certification/ Publications/ Documents/ Teacher Education Program Approval Standards March 2002 Revision (Standard .42 on pages 49-51).
Type A	Alaska	Type A Regular Teacher Certificate	The following nonrenewable certificates are issued to candidates who have met the testing requirement for certification: Temporary Type A issued to an applicant who has not met the recency requirement. The applicant may or may not have completed the Alaska Studies and multicultural requirement. Provisional Type A issued to an applicant who has not met the Alaska Studies and/or multicultural requirements. Upon completion of requirements for regular certification candidates hold the Temporary or Provisional Certificates may apply for regular certification (Type A). The Preliminary Type Q Certificate is issued to applicants who hold current valid teaching certificates from another state. The Preliminary Certificate is issued for three years and is nonrenewable. Upon completion of requirements for regular certification a candidate may apply for a Type A Regular Certificate.
Type A	Arizona	Provisional Elementary (K-8)	
Type A	Arizona	Provisional Secondary (7-12)	
Type A	Arizona	Provisional Special Education (K-12)	
Type A	Arkansas	Initial Teaching License	
Type A	California	Preliminary Level I Education Specialist Instruction Credential	The answer provided for question 17 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless of how other states assess teachers certificated in California.
Type A	California	Preliminary Multiple Subject Teaching Credential	The answer provided for question 17 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless how other states assess teachers certificated in California.
Type A	California	Preliminary Single Subject Teaching Credential	The answer provided for question 17 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless of how other states assess teachers certificated in California.
Type A	Colorado	Provisional License	
Type A	Connecticut	Initial Educator Certificate	In lieu of planned program, 20 months of appropriate successful teaching and service in the same public school under a valid certificate or in an approved nonpublic school will be accepted.
Type A	Connecticut	Interim Initial Educator Certificate	In lieu of planned program, 20 months of appropriate successful teaching and service in the same public school under a valid certificate or in an approved nonpublic school will be accepted.

Type A, B, or C	State	Certificate Name	Comments
Type A	Connecticut	Interim Provisional Educator Certificate	30 months of appropriate successful teaching and service in a public or approved nonpublic school within 10 years of application is required in order to be eligible for this certificate.
Type A	Delaware	Initial License	Delaware is currently finalizing the requirements for the Initial License but the responses to the above questions constitute a set of assumptions on which this license will be based. Delaware is instituting a three-tiered licensure system: Initial License, Continuing License, and Advanced License. The State will continue to issue certificates that are specific to the content and grade levels taught. An Initial License with an Emergency Certificate may be issued one year at a time, up to a maximum of three years, and Trade and Industry teachers have up to six years to meet the requirements. Delaware will issue an Initial License with a Standard Certificate for a period of three years to teachers who have met all requirements.
Type A	District of Columbia	Provisional Certificate	
Type A	Florida	Temporary Certificate	To obtain a Temporary Certificate, the applicant must be issued an Official Statement of Status of Eligibility. All subject content requirements (as required by certificate type) must be met before the Statement will be issued. Also, applicant must be employed in an instructional or administrative position in a Florida public, state-supported, or nonpublic school. A new option to satisfy the required content knowledge is a passing score on the Subject Area Examination of the Florida Teacher Certification Examination (FTCE). An I-9 Immigration form is required on non-citizens.
Type A	Georgia	Intern Certificate	Teacher education program is an alternative program. The candidate completes a summer institute on the principles of teaching and completes a two year induction period with specific problems-based coursework. Please see www.gapsc.com/TeacherCertification/ProvisionalCertificates.asp for further information.
Type A	Georgia	Professional Clear Renewable Certificate	Please see www.gapsc.com/TeacherCertification/ClearRenewableCertification.asp for further information.
Type A	Georgia	Provisional Certificate	Within the 3 year validity period of the certificate, candidate must complete an approved teacher preparation program. Please see www.gapsc.com/TeacherCertification/ProvisionalCertificates.asp for further information.
Type A	Guam	Professional I	
Type A	Idaho	Early Childhood/E.C. Spec Educ Blended Certificate (Birth-Grade 3)	Issuance of this certificate will begin 7/1/02.
Type A	Idaho	Exceptional Child Certificate (K-12)	
Type A	Idaho	Secondary School Certificate (6-12)	For endorsement information, see: www.sde.state.id.us/certification
Type A	Idaho	Standard Elementary Certificate (K-8)	Both a state-mandated course in developmental reading and passage of a test in technology competency are certification requirements. Endorsements for ninth grade teaching, K-12 Early Childhood-Special Education, and Early Childhood (Pre K-Primary) are available on the Elementary Cert. There is no Type B certificate, so there is no connection for prerequisite requirements.
Type A	Illinois	Initial Early Childhood Certificate (Birth to grade 3)	A district may not knowingly employ a person for whom a criminal background investigation has not begun. No one may be certified to teach in a public school who is not a citizen of the United States or legally present and authorized for employment.
Type A	Illinois	Initial Elementary Certificate (Grades K-9)	Endorsements are available at the middle grades level (grades 5-8) by completing 18 semester hours in the subject area including any subject distribution requirements, and by completing the six semester hour middle grade professional education requirement. A district may not knowingly employ a person for whom a criminal background investigation has not begun. No one may be certified to teach in a public school who is not a citizen of the United States or legally present and authorized for employment.

Type A, B, or C	State	Certificate Name	Comments
Type A	Illinois	Initial Secondary Certificate (Grades 6-12)	Endorsements are available at the middle grades level (grades 6-8) by completing 18 semester hours in the subject area including meeting subject area distribution requirements and by meeting the middle grades course requirements. Endorsements at the high school level are available by meeting the total credit and course distribution requirements for the subject sought. A district may not knowingly employ a person for whom a criminal background investigation has not begun. No one may be certified to teach in a public school who is not a citizen of the United States or legally present and authorized for employment.
Type A	Illinois	Initial Special Education (Grades K-12) Certificate	A district may not knowingly employ a person for whom a criminal background investigation has not begun. No one may be certified to teach in a public school who is not a citizen of the United States or legally present and authorized for employment.
Type A	Indiana	Reciprocal All Grade Education License (K-12)	All grade license is available only in these areas: Hearing Impaired, Music, Physical Education, Recreation, School Media Services, Special Education, Visual Arts.
Type A	Indiana	Reciprocal Early Childhood Education (Pre-K)	
Type A	Indiana	Reciprocal Elementary Education License (1-6, & Nondepartmentalized 7 & 8)	An individual may add an endorsement in kindergarten to the license by completing the following: (1) Subject matter content and skills related to kindergarten-primary instruction; (2) Early childhood education; (3) Health and nutrition; (4) Parent education; (5) Activities for the young child; (6) Practicum in kindergarten education. A person may add the following endorsements at the grade levels 1-9 by completing 18 semester hours, a junior high methods course and a junior high practicum: Ethnic and cultural studies; Family life education; Health education; Music; Physical education; Reading; Visual arts; The individual may also add some all grade minors to this license, including Audiovisual services, Coaching, Gifted and talented, School library services, Special education
Type A	Indiana	Reciprocal Junior High/Middle School Education License	
Type A	Indiana	Reciprocal Kindergarten - Primary (K-3)	
Type A	Indiana	Reciprocal Secondary License	
Type A	Indiana	Reciprocal Senior High, Junior High & Middle School Education License (5-12)	
Type A	Iowa	Initial License	
Type A	Kentucky	Provisional Certificate (Intern)	Fingerprinting, background check, and police record examination must be completed by the local school district prior to employment. The certificate is not issued until the candidate has secured employment.
Type A	Louisiana	Type C or Level 1 Certificate	Item #9 above. Will transcript analysis (for degrees from non-U.S. postsecondary institutions) be accepted? The Louisiana Department of Education does not translate foreign credentials or evaluate transcripts from colleges and universities outside the United States unless the institution is accredited by one of the U.S. regional accrediting agencies. Applicants with foreign credentials may follow one of the following options: 1. Colleges/universities in Louisiana are not obligated to evaluate foreign credentials/transcripts. If a college/university within Louisiana chooses to evaluate a foreign transcript or credential for a candidate, the following procedure will apply. The applicant shall submit the credentials to a regionally accredited institution for evaluation. If the institution is located in Louisiana, the dean of education must recommend the applicant for certification based on the requirements set for Louisiana. If the institution is located in another state/country, the guidelines for out-of-state applicants must be followed. OR 2. The applicant shall submit the credentials to the American Association of Collegiate Registrars and Admissions Officers '(AA
Type A	Maine	Provisional Certificate	

Type A, B, or C	State	Certificate Name	Comments
Type A	Minnesota	Nonrenewable License (temporary limited license)	
Type A	Mississippi	Class A	Fingerprinting, background check, and police record examination are completed at the local district level for all new hire applicants.
Type A	Missouri	Professional Classification I (PC1)	<p>This classification, Professional Certificate I (PC I), is valid for a minimum of three (3) years from the date of issuance. Any additional areas(s) of certification issued during the valid dates of this classification will fall under the same classification regardless of the certificate effective date. Therefore, all areas of certification under the PC I classification will have the same expiration date.</p> <p>PROCESS TO UPGRADE: During the three (3) years that the teacher holds this classification, the teacher needs to complete the following requirements before the teacher can upgrade to a PC II:</p> <p>1. Complete three (3) years of Department of Elementary and Secondary Education (DESE) approved teaching experience. Approved teaching experience includes at least half time, contracted employment in Missouri's public schools or in accredited nonpublic schools. Experience will be accepted when earned in nonpublic schools accredited by North Central Association of Colleges and Schools, Middle States Association of Colleges and Schools, New</p>
Type A	Montana	Class 2 Standard Teaching License: Elementary	
Type A	Montana	Class 2 Standard Teaching License: Secondary	
Type A	Montana	Class 7 American Indian Language and Culture	
Type A	Nebraska	Temporary Certificate	<p>1) Fingerprinting, background check or police record examination only if individual has not been a resident of NE for the past 5 years.</p> <p>2) The temporary certificate is offered to those who are offered a contract position but have not met one, two, or all three of the statutory requirements. The request must come from both the applicant and superintendent of the employing school.</p>
Type A	Nevada	Initial License	
Type A	New Hampshire	Beginning Educator Credential (BEC)	Fingerprinting, Background Checks, and Police Record Examinations are only required for hiring, not for certification.
Type A	New Jersey	Certificate of Eligibility (CE)	<p>1) New Jersey does not require fingerprinting prior to certification. Fingerprinting is required as a condition of employment. Each time a teacher moves from one district to another, fingerprinting is required again.</p> <p>2) the applicant must submit a notarized non-citizen oath that he/she will support the constitutions of the United States and the State of New Jersey. The candidate must also submit a notarized affidavit of intent to become a citizen within a five year period. A non-citizen certificate will be issued but it is only valid for five years. It is believed that the teacher can become a citizen within five years.</p> <p>3) This certificate allows the holder to look for work but not be employed. Once employed, the candidate must be issued a provisional certificate to legalize the provisional employment.</p>

Type A, B, or C	State	Certificate Name	Comments
Type A	New Jersey	Certificate of Eligibility with Advanced Standing (CEAS)	<p>1) The applicant must submit a notarized non-citizen oath that he/she will support the constitutions of the United States and the State of New Jersey. The candidate must also submit a notarized affidavit of intent to become a citizen within a five year period.</p> <p>2) This certificate allows the holder to look for work but not be employed. Once employed, the candidate must be issued a provisional certificate to legalize the provisional employment.</p> <p>3) Fingerprinting and a criminal history check is completed as an employment requirement. If a teacher moves to another district, another fingerprinting process must be completed. However, this is not required for certification.</p>
Type A	New Mexico	Level 1	All new applicants for a new Mexico license may be granted a one year license provided that they meet all requirements with the exception of the licensure testing requirement. They are required to take and pass all portions of the New Mexico Teacher Assessments within the year.
Type A	North Carolina	Initial License	
Type A	North Dakota	Initial	
Type A	North Dakota	Interim Reciprocal	Issued to individuals who hold a valid license from another state but have not met the ND standards and rules.
Type A	Ohio	Provisional License	
Type A	Oklahoma	School License	Teachers graduating in education must demonstrate foreign language skills at the novice-high level in both listening and speaking of a foreign language.
Type A	Oregon	Transitional Teaching License	
Type A	Pennsylvania	Professional Instructional Certificate	Instructors of Foreign Language who do not hold US citizenship can gain an Instructional I certificate in Pa. Out-of-state candidates are fingerprinted and participate in an FBI check. In-state candidates receive a background check and police record examination. Both procedures are a requirement for employment in Pa.
Type A	Puerto Rico	Certificado Regular	Citizenship is required, or non-U.S. citizen with official resident status.
Type A	South Carolina	Critical Needs	Further details can be found at: http://www.scteachers.org/cert/pace/overview.cfm
Type A	South Carolina	Initial	Except for individuals with certification in another state attempting to become certified in South Carolina.
Type A	South Dakota	Two-Year Nonrenewable Certificate	This certificate is for applicants who have not completed course requirements unique to SD (3 semester hours each of Human Relations and SD Indian Studies). It is also issued to applicants who pursue alternative certification. This option is designed for applicants with a Bachelor's degree in a certifiable major who have not completed a teacher education program. For more details about state-approved teacher education program requirements, see our web site at legis.state.sd.us/rules/2415.htm #24:15:03:03.
Type A	Tennessee	Apprentice Teacher License	Once the Apprentice Teacher License is used for three years in an approved Tennessee school, it is no longer valid. The school district must then submit evidence of a positive local evaluation, and the license holder will advance to the Professional License. Criminal Background Checks are required at the local (LEA) level, not at the state licensure level.
Type A	Tennessee	Out-of-State Teacher License	Once the Out-of-state Teacher License is used for three years in an approved Tennessee school, it is no longer valid. (The 3 year experience requirement must include at least one year of experience within the State of Tennessee.) Criminal Background Checks are required at the local (LEA) level, not at the state licensure level.
Type A	Utah	Utah Professional Educator License, Level I	After three years of successful teaching experience, evidence of meeting the Early Years Enhancement requirement: a trained mentor, district evaluations, a passing score on the Praxis II PLT, and a portfolio evaluation. A continuing Level II license may be issued.

Type A, B, or C	State	Certificate Name	Comments
Type A	Vermont	Level I - Beginning Educator License	The processes for obtaining an initial Vermont license are: (1) Completion of a state approved Educator Preparation Program; (2) Interstate reciprocity if the educator has completed a state approved preparation program in a state included in our reciprocity agreement; (3) Completion of an alternate route -Licensure by Evaluation/Peer Review or Licensure with Trades & Industry endorsements; and (4) Transcript review if the educator completed a state-approved educator preparation program in a state not participating in the interstate reciprocity contract. The Level I license for Trades & Industry (T&I) teachers is for three years. During that time, T&I teachers are employed, completing coursework, and receiving mentoring. When the T&I teacher successfully completes these requirements as specified in his/her Technical Development Plan, he/she receives a Level II license. To obtain a Level I license, applicants also must submit: (1) an Oath stating that he/she supports the Constitution of the United States, Vermont laws, and federal laws; and (2) verification that the applicant is in good standing regarding payment of state taxes and any child support due.
Type A	Virgin Islands	Emergency	
Type A	Virgin Islands	General	
Type A	Virgin Islands	Temporary	
Type A	Virginia	Provisional License	Provisional licenses are issued to individuals who have been employed by a Virginia educational agency and meet specified requirements in the licensure regulations (Bachelor's degree, major or equivalent in teaching area). During the three-year validity of the license, individuals must meet the professional studies requirements, complete successful teaching experience under a mentor, and Praxis requirements if not already met.
Type A	Washington	Residency Certificate	
Type A	West Virginia	Provisional Professional Certificate - Three Years	
Type A	Wisconsin	Two Year Minor Deficiency License (for out-of-state applicants only)	If out-of-state teaching degree, certifying officer of college where the state-approved program was completed must certify the applicant for licensure.
Type A	Wyoming	Standard Teaching Certificate	Institutional recommendation from an institution of higher learning that has been approved by the Professional Teaching Standards Board or a Bachelor's and portfolio approved by the Professional Teaching Standards Board.
Type B	Alabama	Class A Professional Educator	With regard to Questions 6-9, above, in Alabama, the Class A Professional Educator (Level II, second) certificate is a master's degree level program. Requirements for admission include baccalaureate-level professional educator certification in the teaching field for which Class A certification is sought except in Adult Education, English as a Second Language, and special education. Thus, a bachelor's degree is required for program admission and a master's degree is required for completion of a Class A program. With regard to Question 22, above, fingerprinting and a background check are required of persons who have not previously satisfied that requirement.
Type B	Arizona	Standard Elementary (K-8)	
Type B	Arizona	Standard Secondary (7-12)	
Type B	Arizona	Standard Special Education (K-12)	
Type B	Arkansas	Standard Teaching License	

Type A, B, or C	State	Certificate Name	Comments
Type B	California	Professional Clear Level II Education Specialist Instruction Credential	The answer provided for question 18 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless how other states assess teachers certificated in California.
Type B	California	Professional Clear Multiple Subject Teaching Credential	The answer provided for question 18 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless of how other states assess teachers certificated in California.
Type B	California	Professional Clear Single Subject Teaching Credential	The answer provided for question 18 is based on the information collected by the National Association of State Directors of Teacher Education and Certification (NASDTEC). While there may be a level of comparability, technically it does not represent reciprocity with each of these states as there may be conditions and requirements that individuals from those states may have to fulfill prior to earning a California teaching credential. Likewise, a reciprocity agreement is not required as California may grant a credential based on a finding of comparability, regardless of how other states assess teachers certificated in California.
Type B	Colorado	Professional License	The Professional License is a continuing renewable license based on completion of on-going professional development. Basic requirements for the Provisional License has already been met. The Colorado Bureau of Investigation notifies the state if any licensed teacher is arrested. Fingerprint files are "flagged" by the Colorado Bureau of Investigation to notify the state of subsequent arrests.
Type B	Connecticut	Provisional Educator Certificate	Teachers may qualify for this certificate with 30 months of successful, appropriate experience, within the past 10 years, at an approved out-of-state public or nonpublic school.
Type B	Delaware	Continuing License	Delaware is instituting a three-tiered licensure system: Initial License, Continuing License, and Advanced License. The State will continue to issue certificates that are specific to the content and grade levels taught. The implementation of the Continuing License will begin on October 15, 2002.
Type B	District of Columbia	Standard Certificate	Criminal Background checks based on fingerprinting is required for employment but not for certification.
Type B	Guam	Professional II	
Type B	Hawaii	Hawaii Teaching License	
Type B	Illinois	Standard Early Childhood Certificate	See previous Initial Early Childhood requirements.
Type B	Illinois	Standard Elementary Certificate	See previous Initial Elementary requirements.
Type B	Illinois	Standard Secondary Certificate	See previous Initial Secondary requirements.
Type B	Illinois	Standard Special Education (K-12) Certificate	See previous Initial Secondary requirements.
Type B	Indiana	Standard All Grade Education License (K-12)	All grade license is available only in these areas: Hearing Impaired, Music, Physical Education, Recreation, School Media Services, Special Education, Visual Arts.
Type B	Indiana	Standard Early Childhood Education License	

Type A, B, or C	State	Certificate Name	Comments
Type B	Indiana	Standard Elementary Education License (1-6)	An individual may add an endorsement in kindergarten to the license by completing the following: Subject matter content and skills related to kindergarten-primary instruction; (2) Early childhood education; (3) Health and nutrition; (4) Parent education; (5) Activities for the young child; (6) Practicum in kindergarten education; A person may add the following endorsements at the grade levels 1-9 by completing 18 semester hours, a junior high methods course and a junior high practicum: Ethnic and cultural studies; Family life education; Health education; Music; Physical education; Reading; Visual arts; The individual may also add some all grade minors to this license, including: Audiovisual services; Coaching; Gifted and talented; School library services; Special education.
Type B	Indiana	Standard Junior High/Middle School License (5-9)	
Type B	Indiana	Standard Kindergarten-Primary (K-3) License	
Type B	Indiana	Standard Secondary License (9-12)	
Type B	Indiana	Standard Senior High, Junior High/Middle School License (5-12)	
Type B	Iowa	Standard License	
Type B	Kansas	Standard 3-Year Certificate	
Type B	Kentucky	Professional Certificate (at baccalaureate level)	Fingerprinting, background check, and police record examination must be completed by the local school district prior to employment with the Level I Certificate. The Level I certificate is not issued until the candidate has secured employment.
Type B	Louisiana	Type B or Level 2 Certificate	#22. If the teacher leaves one district and obtains employment in another district, he must go through the same background/police check.
Type B	Maine	Professional Certificate	
Type B	Maryland	Professional Eligibility Certificate	Criminal History Background Check (including fingerprinting) is a condition of employment.
Type B	Maryland	Standard Professional Certificate I	Criminal History Background Check (including fingerprinting) is a condition of employment.
Type B	Maryland	Standard Professional Certificate II	Criminal History Background Check (including fingerprinting) is a condition of employment.
Type B	Massachusetts	Initial License	Evidence of sound moral character.
Type B	Michigan	Provisional Certificate	Holders of this certificate must possess a baccalaureate degree; have a major and a minor in substantive fields (or 3 minors for elementary certificate); complete professional education courses (20 semester hours), including directed student teaching, and 3 semester hours in the teaching of reading for the secondary certificate and 6 semester hours for the elementary certificate. Out-of-state applicants who are reported eligible for a teaching certificate issued by the certification authority of any other state may be issued a Provisional certificate upon the passage of the MTTC Basic Skills test and the appropriate subject area test.
Type B	Minnesota	Professional License	Minnesota no longer differentiates between an entrance license and a continuing license. All licenses are "Professional Licenses" and are issued for five years unless the applicant -- moving into Minnesota from another state -- needs to complete Minnesota specific testing or field requirements, in which case the Professional Licenses are issued for shorter amounts of time, giving the new licensee time to meet full Minnesota requirements. While most Professional Licenses are issued for five years, individuals who have met all but the testing requirements or whose out-of-state licenses are more limited in scope or field than Minnesota's licenses, receive three years (total) in "nonrenewable temporary licenses" that allow individuals the three years to complete all necessary requirements for Minnesota.

Type A, B, or C	State	Certificate Name	Comments
Type B	Mississippi	Class AA	Fingerprinting, background check, and police record examination are completed at the local district level for all new hire applicants.
Type B	Mississippi	Class AAA	Fingerprinting, background check, and police record examination are completed at the local district level for all new hire applicants.
Type B	Nebraska	Initial Certificate	Fingerprinting, background checks and police record examination are required for applicants who have not been a resident of Nebraska for the past five years.
Type B	New York	Provisional -- Elementary Teaching Certificate (Pre-K - 6)	Additional requirements include a course in Child Abuse Prevention and a course in School Violence Prevention.
Type B	New York	Provisional -- Secondary Academic Teaching Certificate (7-12)	18 semester hours of study in specified outcome-based professional education; 36 semester hours of collegiate study in the areas for which a certification is being sought: (a) English, (b) Language other than English, (c) Mathematics, (d) Social Studies, (e) Science (includes a minimum of 18 semester hours in a specific science area (chemistry, earth science, physics or biology). Additional requirements include a course in Child Abuse Prevention and a course in School Violence Prevention.
Type B	Oregon	Initial Teaching License	
Type B	Rhode Island	Provisional Certificate	
Type B	South Dakota	Five-Year Certificate	In reference to question #10: Within the five years prior to application or in addition to the approved program, completed six semester hours of credit (or the equivalent) within the 5 years immediately preceding application.
Type B	Texas	Texas Standard Classroom Teacher Certificate	Individuals seeking a Texas standard certificate based upon holding certification in another state, territory, or country may be granted a standard certificate after meeting Texas testing requirements. Full information about Texas certification requirements is available on the SBEC web site at www.sbec.state.tx.us . Many educator preparation programs offer preparation designed for individuals who already have a baccalaureate degree. In some cases, these individuals can begin teaching in public schools while concurrently completing teacher preparation requirements; these individuals may also receive support and advice from a trained mentor. Preparation programs providing post-baccalaureate and/or alternative/accelerated preparation are listed on the SBEC web site at www.sbec.state.tx.us/edprep/region.htm .
Type B	Virginia	Collegiate Professional License	If an applicant has a comparable teaching endorsement from a state that has an interstate contract agreement with VA, the only additional requirement in Virginia is the completion of the Praxis I and II tests. Individuals who have completed a minimum of two years of successful, full-time teaching experience in a public schools or an accredited private school (K-12) in a state other than Virginia are exempted from the assessment requirement.
Type B	Wisconsin	Regular License	Fingerprinting is done for nonresident applicants, defined to be anyone who has worked, lived or gone to school out of Wisconsin in the past 20 years.
Type C	Mississippi	Class AAAA
